

# DYNAMICS OF GLASS-FORMING LIQUIDS:

will theory and experiment ever meet?

## KEYNOTE SPEAKERS

**Christiane  
Alba-Simionesco**

Lab. L. Brillouin,  
CEA-CNRS

**Peter Harrowell**

University  
of Sydney

**Mark Ediger**

University of  
Wisconsin-Madison

**Giulio Biroli**

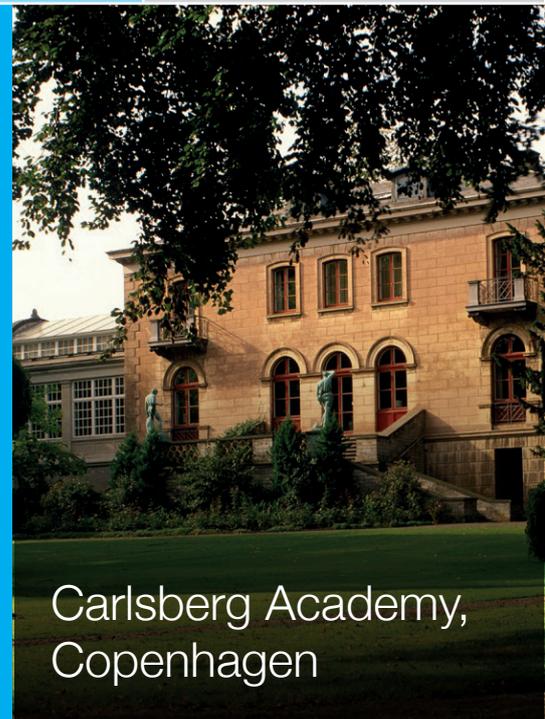

IPhT-CEA

The aim of the workshop is to stimulate discussion between theoreticians, simulators and experimentalists from the field of glass-forming liquids. In order to ensure this there will be plenty of time for discussion. Young as well as experienced researchers are invited to contribute talks and posters. The maximum number of participants is 80 people.

5<sup>th</sup>-7<sup>th</sup> April  
2017

Registration opens  
fall 2016
